1. NATURE OF OPERATIONS

Ethos Gold Corp., formerly known as Ethos Capital Corp., (the “Company”) was incorporated on March 12, 2007 under the British Columbia Business Corporations Act. In 2007, the Company completed an initial public offering (“IPO”) and was publicly listed as a Capital Pool Company as defined in Policy 2.4 of the TSX Venture Exchange (the “TSX-V” or “Exchange”). In 2008, the Company announced a proposed qualifying transaction (“Qualifying Transaction”). In 2009, the TSX-V accepted the Company’s Qualifying Transaction and filing statement, and the Company began trading on the TSX-V as a Tier 2 company under the symbol ECC. Its registered office is located at 680 – 789 West Pender Street, Vancouver, BC, V6C 1H2.

To date, the Company has not generated revenues from operations and is considered to be in the exploration stage. The Company’s operations, during the fiscal year ended December 31, 2011 and the three month period ended March 31, 2012, were primarily directed towards the exploration of the Company’s property interests located in Canada.

These financial statements have been prepared on the basis that the Company will be able to realize its assets and discharge its liabilities in the normal course of business. The ability of the Company to continue as a going concern is dependent on obtaining additional financing, if required, through the issuance of debt or equity. There is a risk that additional financing will not be available on a timely basis or on terms acceptable to the Company. These financial statements do not reflect the adjustments or reclassifications that would be necessary if the Company was unable to continue operations in the normal course of business.

2. BASIS OF PREPARATION

Accordingly, they should be read in conjunction with our IFRS financial statements for the fiscal year ended December 31, 2011. The accounting policies applied in these condensed interim financial statements are based on International Financial Reporting Standards (“IFRS”) issued and outstanding as of May 26, 2012, the date the Board of Directors approved these condensed interim financial statements and they are consistent with those disclosed in the annual audited financial statements.

Basis of measurement

These condensed interim financial statements have been prepared on a historical cost basis, except for cash and cash equivalents and other financial instruments classified as fair value through profit or loss or available-for-sale that have been measured at fair value, and are presented in Canadian dollars.

Betty & Wolf Option Agreements, Yukon (continued)

The Company will also issue and deliver to Ryan 500,000 common shares upon the Company having incurred expenditures of a total of \$4,000,000 on each of the Betty and Wolf properties, and issue and deliver to Ryan an additional 500,000 common shares upon the Company having incurred expenditures of a total of \$7,500,000 on each of the Betty and Wolf properties.

In addition, the Company has the option to accelerate all of the above obligations and upon fulfilling all of these obligations, under both option agreements, the Company will make annual cash advance royalty payments of \$30,000 to Ryan and Wildwood commencing October 30, 2015 and continuing each year thereafter until commencement of commercial production of each of the respective mineral properties. These advance royalty payments will be deducted from the royalty payable upon commencement of commercial production.

Each of the properties will be subject to a 2% Net Smelter Return (“NSR”) royalty in favour of Ryan and Wildwood, with an option in favour of the Company to buy out 1% of the NSR royalty for CDN\$2,500,000 per property.

Bridget & Hen Option Agreements, Yukon

The Company entered into two option agreements dated March 1, 2011 between the Company and Ryan and Wildwood, whereby the Company had the option to acquire a 100% interest in the Bridget and Hen properties, located in the White Gold area. The TSX-V approved this transaction during the second quarter of 2011. In February 2012, the Company and Ryan and Wildwood amended the terms of these two option agreements. 1,633 claims were removed from the Hen Agreement and added to the Bridget Agreement, and 476 former Hen claims were determined not to be required for the Company’s exploration objectives, and were returned to Ryan and Wildwood. Consequently, the revised claim package is included under the Bridget Agreement and the Hen Agreement has been terminated.
