Notes to the Condensed Interim Financial Statements For the Three Months Ended March 31, 2015 and 2014 (Stated in Canadian Dollars) (Unaudited)

1. NATURE OF OPERATIONS

Ethos Gold Corp. (the “Company”) was incorporated on March 12, 2007 under the British Columbia Business Corporations Act. In 2009, it began trading on the TSX Venture Exchange (“TSX-V”) as a Tier 2 company under the symbol ECC. Its registered office is located at 800 – 789 West Pender Street, Vancouver, BC, V6C 1H2. The Company’s principal business activities are the identification, exploration and development of economically viable mineral properties.

To date, the Company has not generated revenues from operations and is considered to be in the exploration stage. The Company’s operations during the three months ended March 31, 2015 were primarily directed towards the search for mineral properties to acquire and develop.

These condensed interim financial statements have been prepared on the basis that the Company will be able to realize its assets and discharge its liabilities in the normal course of business. The Company has sufficient resources at this time to locate and explore a mineral property or properties with sufficient potential for further development. Should the Company succeed in identifying and exploring one or more mineral properties, it may need to obtain additional financing through the issuance of debt or equity. There is a risk that additional financing may not be available on a timely basis or on terms acceptable to the Company to complete the successful development of these properties.

2. BASIS OF PREPARATION

(a) Statement of compliance

These condensed interim financial statements, including the comparative statements, have been prepared in accordance with International Accounting Standards (“IAS”) 34, *Interim Financial Reporting* using the same accounting policies and methods as were used for the Company’s financial statements and the notes thereto for the year ended December 31, 2014 (“Annual Financial Statements”). These financial statements should be read in conjunction with the Annual Financial Statements.

(b) Changes in accounting standards not yet adopted

IFRS 9 Financial Instruments (“IFRS 9”): This standard replaces the current IAS 39 *Financial Instruments Recognition and Measurement*. The standard introduces new requirements for classifying and measuring financial assets and liabilities. The effective implementation date of IFRS 9 is January 1, 2018. The Company is currently evaluating the impact on the financial statements.
